US-India Institutional Partnership Grant

Deadlines:
Internal Notice of Intent: July 31, 2013
Full Proposal Due: November 1, 2013
Institutional Limit: One application per institution

The United States-India Educational Foundation (USIEF) announces an open competition for the support of projects through the Obama – Singh 21st Century Knowledge Initiative (OSI). Announced by the US and Indian governments, OSI aims to strengthen collaboration and build partnerships between American and Indian institutions of higher education. Accredited US post-secondary educational institutions meeting the provisions described in Internal Revenue Code section 26 U.S.C. 501c(3) may submit proposals to support the program’s goals of encouraging mutual understanding, facilitating educational reform, fostering economic development, and engaging civil society through academic cooperation with Indian post-secondary educational institutions. Exchange activities may include but are not limited to curriculum design, research collaboration, team teaching, focused series of exchanges, seminars, among other activities. Activities should be designed to develop expertise, advance scholarship and teaching, and promote long-term ties between partner institutions.

Proposals in the following fields are eligible: Energy, Climate Change & Environmental Studies; Education & Educational Reform; Public Health; and Sustainable Development & Community Development.
