FY13 DoD LCRP and PRCRP Program

This document serves to notify the research community of recently released funding opportunities from these two Department of Defense (DoD) Research Programs:

**Lung Cancer Research Program (LCRP)**
- Career Development Award
- Clinical Exploration Award
- Idea Development Award

**Peer Reviewed Cancer Research Program (PRCRP)**
- Career Development Award
- Idea with Special Focus Award

**Note:** The LCRP Concept Award will be released in **June 2013**

Detailed descriptions of the funding opportunity, evaluation criteria, and submission requirements can be found in the Program Announcements. The Program Announcements are currently available for downloading from the Grants.gov website ([http://www.grants.gov](http://www.grants.gov)), and also on the Congressionally Directed Medical Research Programs (CDMRP) website ([http://cdmrp.army.mil/funding/default.shtml](http://cdmrp.army.mil/funding/default.shtml)) and the CDMRP eReceipt System ([https://cdmrp.org](https://cdmrp.org)).

The CDMRP is assigned as the execution agent for these programs. A listing of all United States Army Medical Research Acquisition Activity (USAMRAA) funding opportunities, including those executed by CDMRP, can be obtained on the Grants.gov website by performing a basic search using CFDA Number 12.420.

Subsequent notifications will be sent when additional funding opportunities are released.
