Change of Department/Program Affiliation Form

Student Name: _______________________  PSU ID: _____________________________

Effective: Fall ______  Spring ______  Summer ______ Year: ____________

This form is to be completed when a premajor (SCIEN) student, who is enrolled in the Eberly College of Science at University Park, wishes to change his or her intended major within the college and be assigned to an academic adviser who represents the new intended major.

I request permission to change my premajor status:

From: ______________________________ (premajor)

To: ______________________________ (premajor)

Student Signature:______________________________ Date:   _________________

Semester Standing: ____________

Return completed form to New Department/Program Office.

For Use by the New Department/Program Office

Student is already in the College of Science (Y/N): __________________

Signature of Department/Program Representative: ___________________________ Date:  __________

Name of New Academic Adviser _______________________

The new academic advising assignment must be entered on ISIS. This action will automatically remove the previous academic advising assignment.
